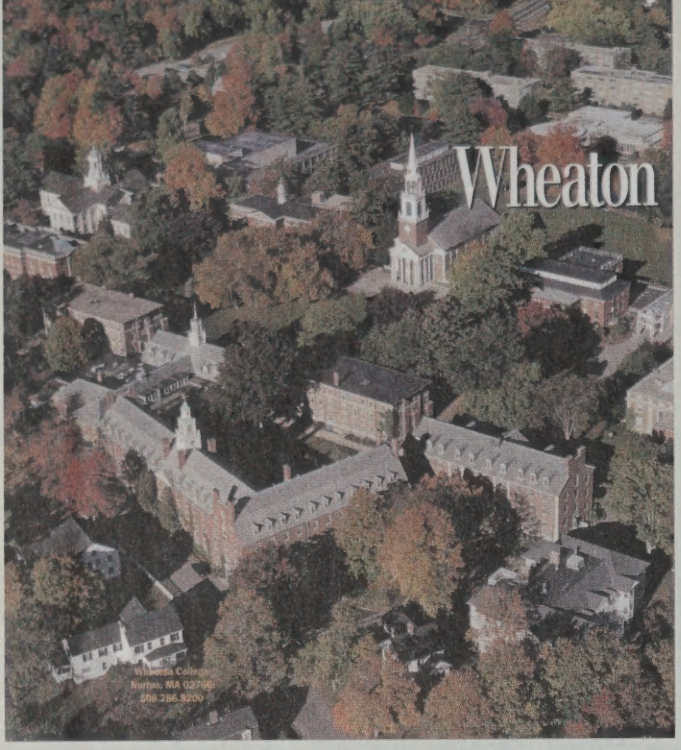
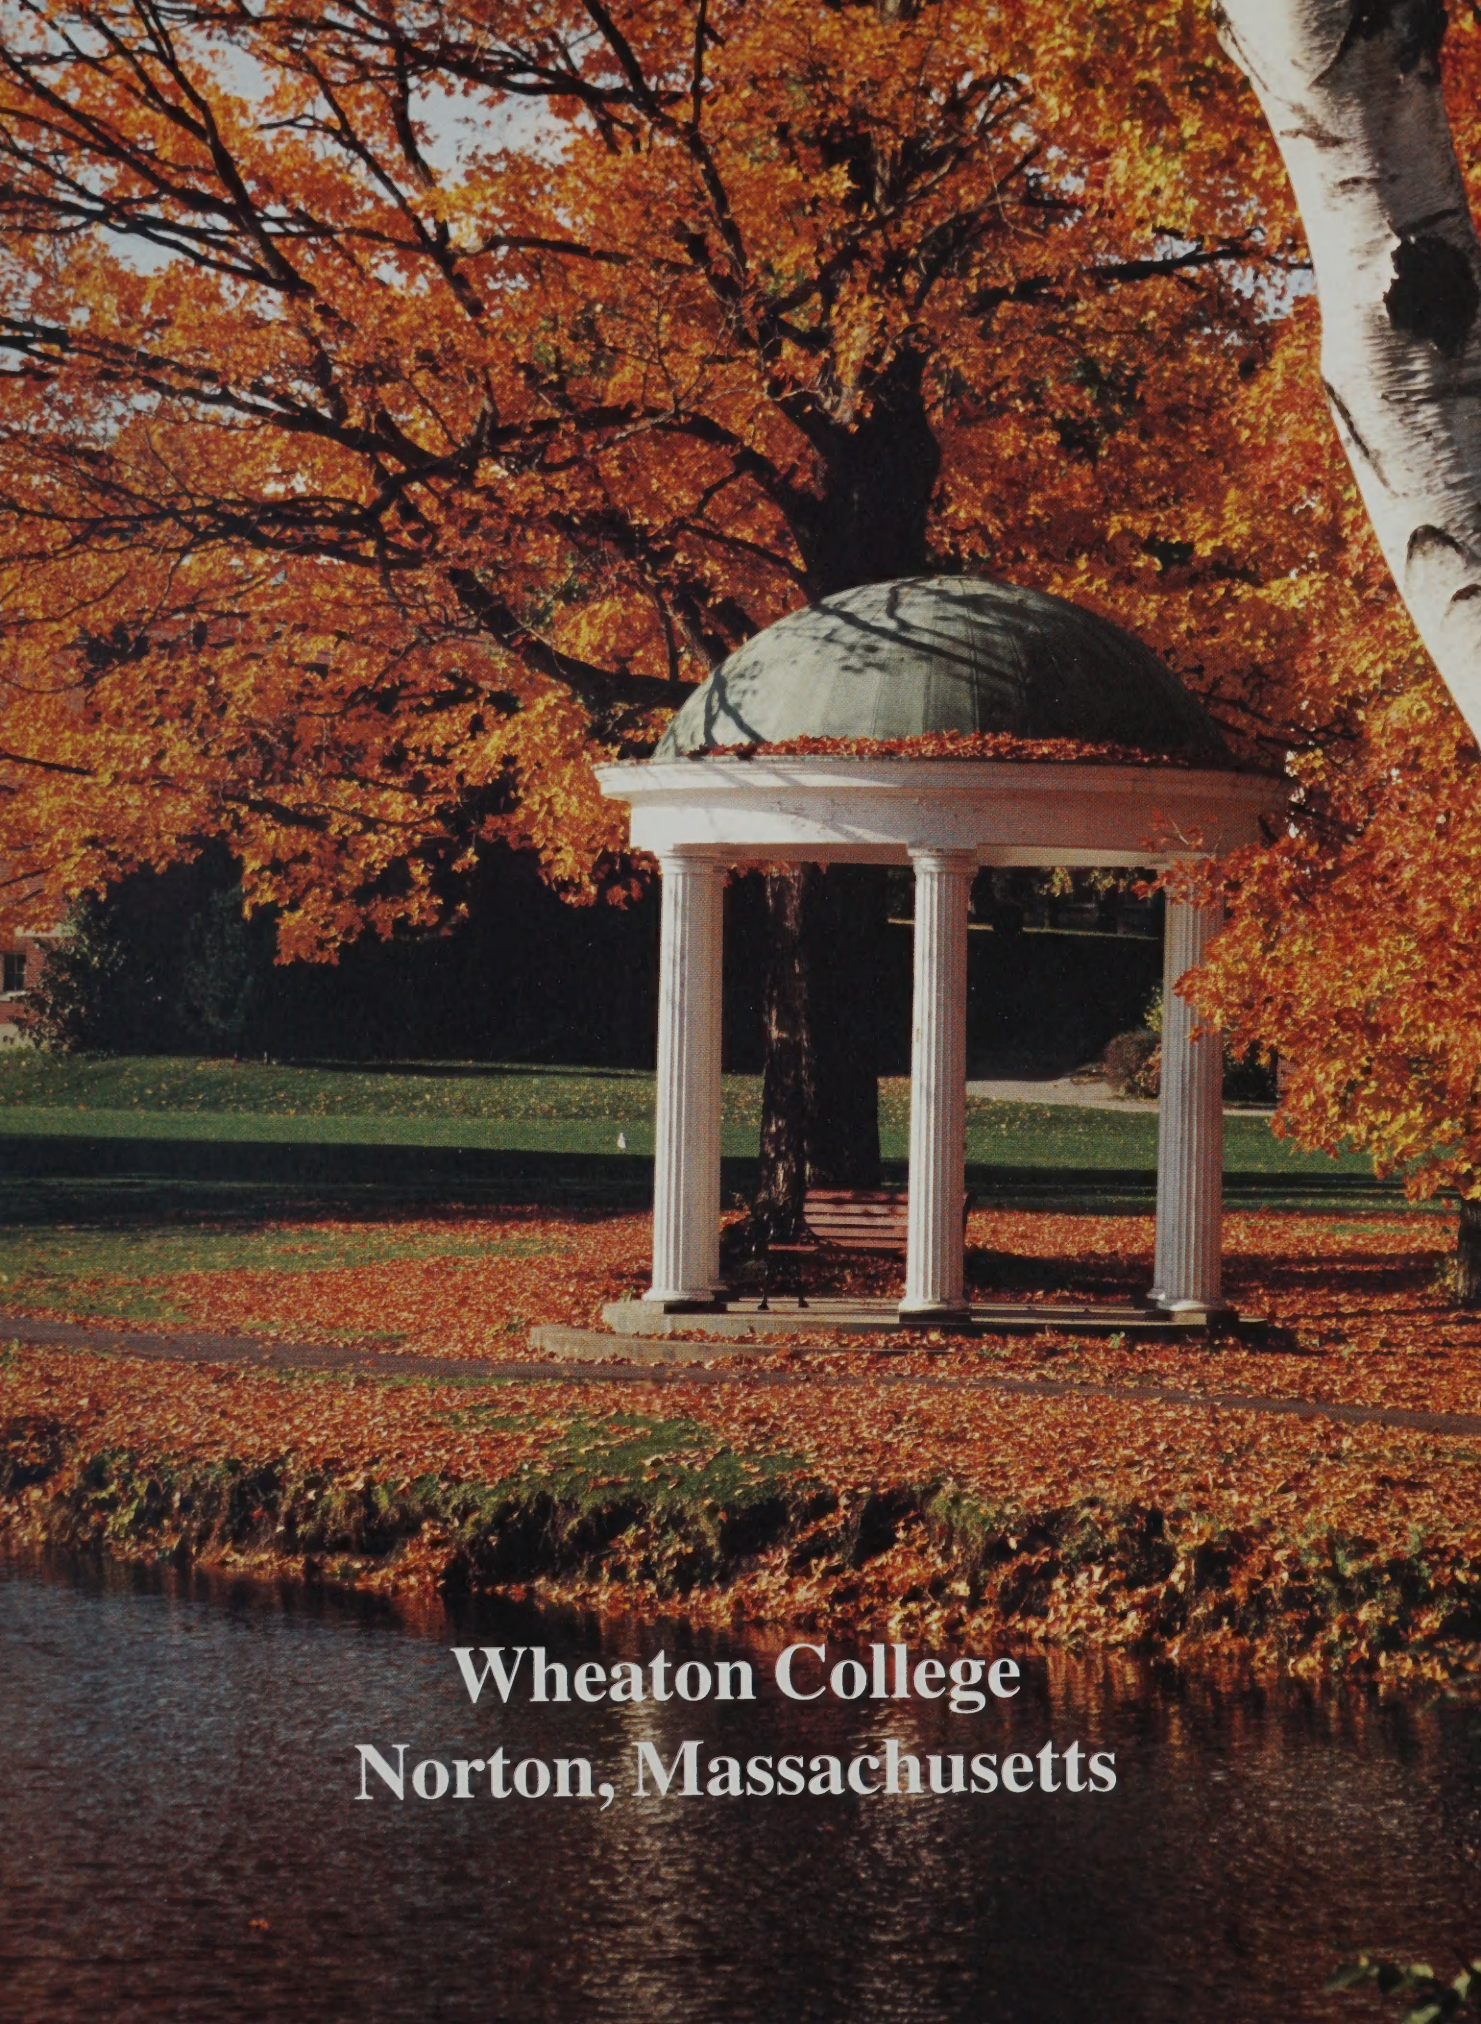
NIKÉ 2001



Wheaton



Wheaton College
Norton, Massachusetts

When we began Wheaton as Freshmen we were standing at the edge of our future, hesitating and questioning ourselves. Are we ready to move on from our childhood and adolescense? We were invited into a community that we were not quite sure where or if we belonged. Within time, we realized we are not alone and due to our strong will and the encouragement of professors, coaches, advisors, student mentors, preceptors, teammates, floormates, and friends we found our niche and broke new ground at Wheaton. We are challenging our limits and exploring our failures. Our accomplishments range from academics to sports to community service projects. We are who we are because we have taken advantage of the opportunities and experiences Wheaton has offered us. And now, right before our eyes, Wheaton too is breaking new ground and expanding to give us an edge in this new century.

Bacchus (Building Alcohol Consciousness Concerning the Health of University Students) is one of the many social groups which Wheaton provides. Promoting responsible drinking and sponsoring alternatives to alcohol, BACCHUS's efforts can be seen campus-wide throughout the academic year. From the weekly presentations of box office movies to serving mocktails at social events to the annual Moonlight brunch, BACCHUS provides something for everyone.

Backpacks to Mexico is an initiative designed to deliver backpacks and school supplies to severely impoverished areas of the Mexican border.

Wheaton Christian Fellowship is a non-denominational Christian group that meets weekly to study the Bible and to talk about Jesus and contemporary Christian issues here on campus. In addition to studying Bible passages, WCF is also a place where students can go to learn about God and their own faith. We strive to provide an atmosphere where all students, faculty, and staff can feel welcome, where people can learn more about God and his word in an informal atmosphere while having fun at the same time.

Hillel is the Jewish student run organization on campus. We are open to the whole Wheaton community, students and faculty, Jewish and non-Jewish. We provide programming on campus which promote Judaism on campus as well as hold ties with the New England Region to attend other schools programs.

Women's Hockey Team had their most successful season this year with a final game record of 5 wins and 1 loss. The captains of this years team were Patience Fanella '01, Christine Lanzoni '01, and Bridgit Murphy '02. With the continued help of coaching staff Rick Simard and Bob Fanella, the team is looking forward to a successful 2001-2002 season! The senior captains would like to thank the team and coaches for their support and enthusiasm - good luck next year!

HOME (Helping Out Mother Earth) has been gaining momentum as a student organization dedicated to raising the Wheaton community's awareness of environmental issues on and off campus. Students have volunteered at an organic community garden, provided support services to the Wheaton Recycling Program, and sponsored campus lectures. Cooperating with staff, faculty, and other students, members have also brought Massachusetts Recycles Day and Earth Day to Wheaton.

Men's Indoor Soccer

Women's Indoor Soccer continues to grow and enjoyed a successful year. With the support of our super fans, and the benefits of many funny and challenging practices, our club developed a unity that brought players of all ages and abilities together. Remember to smile at practice!

Women's Rugby

Ultimate Frisbee Completely underrated, Ultimate Frisbee at Wheaton continues its cult-like status among the dozen or so die-hard members. Comparable with Soccer, Rugby, or Basketball in running, it remains a unique sport that, once played, becomes addictive. The aire of good sportsmanship, brought about by the absence of referees, is like that of no other sport. Wheaton's team has played in tournaments (that start at 9 in the morning, and usually last until 4 in the afternoon) in schools as close as Rhode Island and as far away as Canada.

Visions

Wheaton Wire is Wheaton's student-run newspaper. It is the goal of the staff to keep the Wheaton Community informed of campus news and events. The Wire allows community members interested in the field of journalism to voice their opinions and apply their energy towards the production of the campus newspaper. All classes are involved in this publication so there are many freshmen and sophomores who will be around to make sure The Wire continues to improve in the years to come! We would like to thank the community for their support!
